LET'S HAVE SOME!

NUTS ABOUT NIKKI!

I really enjoyed the spread featuring Vivid star Nikki Jayne. When I opened the magazine hers was the first page I came across (literally). She looks great on all fours and even better soaking wet. She also has the most perfect arse I have ever seen. I think she makes a great agony aunt, and it's cool that she comes from Wigan. A proper Northerner! But I was wondering, why do all the hottest British women leave the country? We need as much totty here as we can get.

Sam, Chelmsford

Yes, it's a crying shame isn't it Sam? I don't think Wigan can compete with Hollywood for some reason. But it's not all bad, because at least you get to see one of Britain's finest exports right here in MensWorld. Unfortunately Nikki is taking a break from her agony aunt duties – something about 'more fucking' apparently – but we'll be running a hot new set of her very soon. Watch this space.

FAYE ALL THE WAY!

I thought it couldn't get any better when I saw the Faye Reagan article in *MensWorld*. I've got to admit I don't usually find the time to read your articles and I usually just flick through them on my way to the pics, but she's absolutely stunning. After having a quick wank over her photos, I read the interview and it turns out that she's one of the filthiest women in the business. It's always good to find a girl who loves to swallow and has such a passion for her job. You should give the girl a column! She could be your new 'Agony Aunt' when Nikki Jayne gets bored!

Dan, Shrewsbury

Cheers Dan, we're really glad you liked our little red-head Reagan; she's definitely going to be a big star. We've been inundated with requests for more of her all month. Indeed she is a very cheeky girl, but she's also a very busy girl, but we'll see what we can do! To be honest, putting that article together left the entire editorial team, should I say, 'keen' to get her in the magazine again. Personally, I just want to see more of those perfect tits. Awesome.

NAIL BAH!

I'm a 25 year-old beautician and I have to confess that I love sneaking a peek at my boyfriend's copy of *MensWorld* when he goes out with the lads. I'm not a lesbian but some of the photos really turn me on. I'm kind of hoping my fella will come home early one day and catch me looking – it's a really big fantasy of mine! As much as I adore your magazine there is one problem. I keep being distracted by the girl's manicures. Some of the shades they choose are hideous and don't even match their skimpy bikinis. Could you ask your ladies to keep it natural in future?

Anon, Birmingham

We're so sorry to have distracted you from your fun, but it just goes to show how individual our ladies are. I would suggest that you go through the next copy with permanent marker and blot out any manicures that you find offensive, but perhaps your boyfriend would spot that. It's great to hear that women have been enjoying MensWorld too.

STRIPE GRIPE!

I have a problem. After seeing the last shoot with Ashley Bulgari I can't look at a girl in a striped top without getting an erection. We often have fancy dress nights at my University and I've had to start avoiding them altogether because sailor outfits are particularly popular this, erm, season. Saying that, please could you put some more photos of her in as I love brunettes and she's an absolute stunner. Thanks in advance.

Darren, Southampton

Darren, that's a pretty fucking weird problem. I guess you'll just have to walk around with your boner and make sure you wear some baggy trousers. As for our sailor-girl Ashley, her long hair and pout has definitely earned her a place in our hearts. You can see more of our new best friend online at www.paulraymond.com/mensworld.

MAKING A SPLASH!

Out of all of the models recently, one has really stood out for me. The photos of Zara showing off her tight pussy by the pool had me wanking like a monkey with six hands. Her big tits are amazing and I loved reading her dirty story about her various shoots; she made me want to give up my job and take up photography. I'd like to see even more of her if it's possible. Please.

Anon, Derby

I hope your dick is still attached because we've got some corking girls in this issue, too. Zara's poolside antics led to a barrage of emails asking for her hand in marriage among other things (which, of course, we'll pass on).

TIFFANY BROOKES

PHOTOGRAPHY: NICOLAS SAGE

Tiffany has only been in the adult industry for a couple of years, but she's already assembled an impressive stateside following of fans clamouring to see more of her. We knew we had to get her in *MensWorld* and show you exactly what you've been missing. After all, we can't have those bloody yanks having all the fun now, can we? Tiffany is from Dallas, she's a Pisces, and, interestingly, she's: "Attracted to guys who know what they want and aren't afraid to go and get it." And on that note, I'm going to go and make myself a cup of tea in the brand new shiny office kitchen. You know, just because I want one. And am I scared? No Sir.

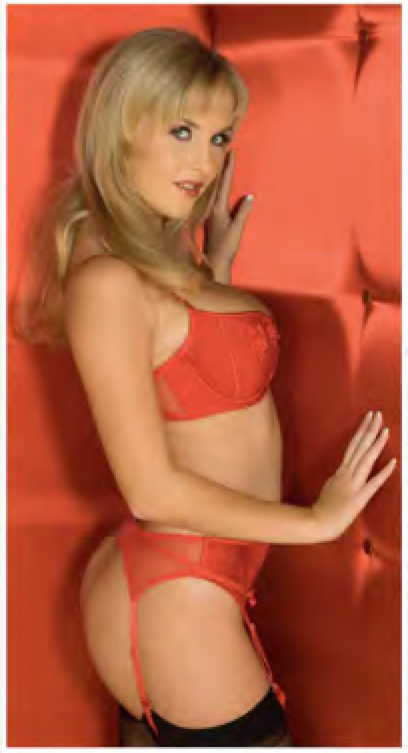
WATCH-MAN!

Ashley isn't obviously dirty to look at – she's just a skinny rock bird on the pretty side of average. But she's easily the filthies, kinkiest girl I've ever known. She likes to fuck other guys in front of me, and I like to watch. It started the night she showed up at my place after midnight, stripping naked and getting into my bed. Next she jacked my knob long and slow, telling me how she'd come on to some guy in a bar and given him a stand-up fuck in the car park. Then she'd just walked off with her pussy swimming in spunk, leaving him to pull his trousers up.

This had happened just over a half-hour ago. I kissed her, dragged her onto my boner, slammed it in, then gave it to her cunt as hard as I could. And thinking of her as sloppy seconds, how she'd just spread for some stranger's big dick, got me jizzing even harder in her tenderised cunt.



Things have now progressed from her telling me her fuck-tales, to bringing blokes home. Sometimes I watch, wank off or join in, it's her call. I also drive her around, cruising for cock. She sees a man she likes the look of, we stop and if he wants it, she fucks him in the back seat. It sounds like risky business, but she isn't into dangerous guys. She likes to corrupt the clean cut, turn them on to the sleazy side!

The other night I drove her around the student part of town, where she saw these two rugby player types, one blonde, the other dark. I stopped, and she asked them did they want to fuck her.

Either they were very trusting, too stupid to be suspicious, or more likely thinking with their dicks. Ashley was wearing a miniskirt, black knee-socks and no knickers, and she gave them a flash of fanny.

We found a dark street, parked the car, and then the fun began. She sat between them, jerking a hard-on in each hand, pumping them stiff. Then she asked who wanted to fuck her. The blonde stepped up and she laid back, splaying her thighs. She stroked her pussy, wet his dick a little with her fingers, then pulled him inside of her, moaning with arousal as he plunged in.

His mate wasn't left out as she wanked him over her face, then took him in her mouth. A fuck show always does it for me, but it's when I'm watching Ashley suck cock that it really hits hard. I know how it feels to have those lips and that tongue working over my dick, so just the sound of her sucking away can set my prick throbbing, vein deep.

One thing she loves about sporty types is when they get real competitive. Even if they're best friends, they still want to be the guy who fucks her harder and lasts

HE SPUNKED OVER HER SNATCH AND MOUND SO IT RAN DOWN OVER HER BELLY TO HER TITS

longest. The dark guy began to play with her tits. They're small and flatten to almost nothing when she lies back, but have really hard nipples no guy can resist sucking or fondling. She was letting out little muffled whimpers, making the blonde think maybe it was time he gave her swollen clit some attention too.

Now she went crazy, bucking on the back seat, angling her cunt onto one cock as the other crammed deep down her throat. I could see the blonde strain, grit his teeth, then groan as his mate's load shot in her mouth, overflowing to dribble off of her lips. The blonde finally let loose and she asked right at the last moment if he'd cum all over her. He kneeled up, pulling her arse up too, and spunked over her snatch and mound, so it ran down over her belly to her tits.

The guys didn't stick around for a ride home, so Ashley and I performed our usual dialogue – her begging for my dick, me telling her she could wait.

Sometimes we drive around for some other bloke to fuck her, but not this night. I got my dick out, gave her twat a little teasing poke. Then I pulled it out again and bet she couldn't keep her hands off of herself all the way home.

I knew she'd win that bet, but I won too – she was so frantic for a fucking by the time she got home, she pounced on me. And the first feel of her hot cunt snapping tight around my throbbing cock was almost as good as when I came in her mouth…

LEZ IS MORE!

I'm in my third year of University now, but in my second year I had the option of spending a term over at an American college. I jumped at the chance. I'm not the shy and retiring type, so I threw myself into a hectic social life over there. Being a perky blonde with big natural tits I thought it a great idea to pledge to the hottest sorority chapter on campus, I'll call it The Omega Pies. It also helps that I'm a raging lesbian whose penchant for pussy runs faster than a hunting cheetah. The Pies were known for their wildly sexual initiations and that just made me want to join them that much more. The other British students thought I was bringing down our reputation, but I didn't care.

After one look at me, ample squeezing

WWW.PAULRAYMOND.COM/MENSWORLD

We asked Carmen, what's the most exotic place you've ever been flown to for a shoot? "One magazine flew me over to Barbados to take piccies of me in the gardens of this luxury apartment, which was incredible," Carmen replied with a wistful sigh. "Another wanted to shoot me on this beach on the Amalfi Coast. They wined me, dined me… I was treated like a Princess." Suddenly, our offer to snap Carmen in her flat in Croydon and provide lunch from the local Gregg's seemed much less than impressive, but did we care? We still got the pictures of her sexy body, right? Who needs luxury trips to the Amalfi Coast? Oh, erm, actually…

BROOKE'S BACK MOUNTING!

Oklahoma. Famous for the musical Oklahoma and, erm, not much else. Until Ashlynn Brooke, that is. New Sensations / Digital Sin contract girl and lady we'd most like to get our dick wet in…

Where's the wildest place you've ever had sex off camera?

I've had so many encounters that it's difficult to choose one. My last hot encounter happened at the hotel pool in Miami. I am an exhibitionist at heart. I love going to lifestyle/swingers' clubs. I don't go there to have sex with random people because that's not really my gig. Instead I like to go there and fuck my boyfriend in a room full of fifty people. I love watching people getting turned on by watching me fuck. I have a thing for live sex!

What does it take to make you come?

I like to start off rather intense but then like to transition into a deep, slow, grinding motion. That works like a charm. Sucking on my clit and using your fingers at the same time will also make me explode in no time. Really, most things get me off.

We've had the privilege of watching you dominate girls in your scenes. Have you always been bisexual?

Always. My interest in girls is just

I LOVE KNOWING THAT MY MOUTH HAS WHAT IT TAKES TO MAKE A GUY EXPLODE!

as potent as my interest in guys. I've always had the same feelings for both girls and guys throughout my life. It's more the person that I fall for and not the gender.

Who in porn has the tastiest pussy?
I just worked with Jana Jordan and she had a nice pussy. It was puffy, pink and soft. Jenna Haze's little pussy is also pretty damn tasty. Another one is Brea Bennett. She was one of the first girls I ever worked with in the business and is my latest girl crush. I've fallen in love with her sweet little pussy and all the juice. I guess you can say I have a thing for petite women. I just can't get enough.

What turns you on the most in the bedroom?
Everything! I love toys, foreplay, and oral both giving and receiving. I'm telling you I'm very sexual. If the wind blows I get turned on. I also love great communication while having sex so my partner knows exactly what I want and how to give it to me.

What turns you off?
I hate spit. Honestly, using spit for lubrication is gross to me. I'm also not huge on really rough or ultra aggressive styles of sex. I guess I'm just more of an erotic and sensual type of woman. Leather, bondage and ball gags are all laughable to me.

Some people consider sucking cock to be an art form. Would you?
I'd have to say yes. I love knowing that my mouth has what it takes to make a guy explode. I love feeling the guy tense up and quiver right before he's about to unload. I always try to include my hands and never neglect the balls or scrotum. Eye contact is always a must. It helps keep me connected to my partner. By the time I'm done sucking him off, my pussy is dripping wet!

Who in the industry has the juiciest cock?
Erik Everhard and Jordan Ash have great dicks. Honestly, I like all cocks in different shapes and sizes… big, small, curved. I have no preference.

Where'd you prefer your loads?
I enjoy getting facials and really have a taste for swallowing. Drinking pineapple juice makes cum taste sweeter, by the way. I'd say 85 percent of my scenes result in facials but in a perfect world I'd love to get vaginal cream pies every time. Cream pies turn me on like you wouldn't believe.

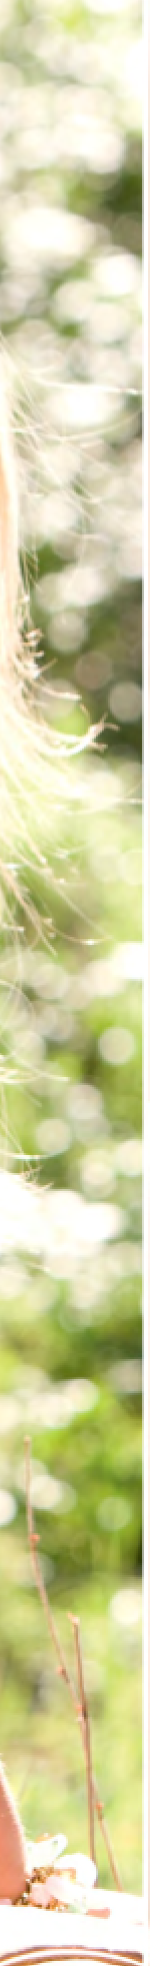
HEATHER

PHOTOGRAPHY: HOLLY RANDALL

When you see a duffed up old couch in the woods, it's usually a good idea to give it a wide berth. A tramp may have sat on it and pissed himself. However, when we stumbled upon this leather armchair left randomly in a clearing whilst we were looking for an ideal spot to shoot Heather 'al fresco', it was too good an opportunity to miss. I mean, what a great way to get the sexy blonde babe spreading her legs and showing us her neatly-trimmed pussy without getting grass on her ass, as it were?

So we gave it a quick wipe down with a couple of Handy Andies and told Heather to crack on with the business at hand – namely showing us that stunning body of hers in intimate detail. As you can no doubt tell from the sizzling images, she went about the task with commendable enthusiasm. And her reward for such vigour? Well, when the shoot was over she rooted down the back of the cushion and found 56p in small change. And we let her keep it. Yep, that's how we do at *MensWorld*.



THE WEIRD WORLD OF PORN

RON JEREMY JOINS THE CIRCUS. AND NOT AS THE AMAZING HAIRY WOMAN

Hi all you *MensWorld*-aholics out there! How the hell are you? First of all, let me say what an honour it is to be here! I've been asked to write a guest first-person account for your fine publication about my most recent experience on the set of a wild movie I just starred in – and I said sure thing. Lord knows I've always got enough to say! And because this was one of the most unusual hardcore movies I've done in decades, it's really a pleasure to tell you about it! So here goes…

THIS IS ONE CRAZY FUCKIN' MOVIE FROM START TO FINISH!

I had a part in a new sex flick called *Hardcore Circus XXX*, directed by my long-time good friend Erica McLean. Now, you probably know the name Erica McLean, as she is super-famous as the director for the last four years or so of the groundbreaking and very popular *Barely Legal* hardcore series for LFP. And while LFP Distribution is also handling the release of *Hardcore Circus XXX*, this movie is all Erica's.

This is one crazy fuckin' movie from start to finish! Billed as 'You've Never Seen A Circus Like This!' *Hardcore Circus XXX* is nothing at all like the upbeat fun tone of the more light-hearted *Barely Legal* series, but instead delves into much more weighty and complex sexual subject matter. Erica herself describes her work best, of course: "These are wild, artistic and sexually intense scenes. That seems where I'm headed with the company, really. I've got some great ideas brewing for future projects. It's a very, very exciting time for me."

Way cool, but first things first! So, what's it all about? It's a script that pays homage to the classic circuses of the past, while at the same time combining the eroticism and flashiness of the circuses of the present. Let me elaborate. What Erica has done is allow herself to be inspired by things old and things new in the strange world of circuses.

Think of stuff like the imagery of silent film classics such as *Under The Big Top*, and Francis Lawrence's Circus music that worked so well for that Britney Spears music video. Combine such diverse artistic elements such as those, and you get a sense of the twisted erotic journey that *Hardcore Circus XXX* takes you on, through an endless litany of Bohemian prophecy and sexual trapdoors. Hey, am I starting to sound like a real art critic here or what?

Well, that's the basis of the movie. Now for the sex – my favourite part. Everyone in the all-star cast is made up and dressed up in very, very unique circus-like attire – and everyone fucks in those outfits and scenarios. From the X-starlet likes of Audrey Hollander, Madison Scott, Aiden Starr, Kendra Banx, Kimberly Kane, Lavish Styles, Starri Knight, Lilly Lovely and Tera Joyce, to accompanying studs and, of course, me playing the red-coated 'ringmaster', is done-up to match the era and the genre of the movie.

As a sad postscript it is important to note that *Hardcore Circus XXX* also stars Blue Iris, an older porn performer who sadly passed away, suddenly and unexpectedly, in Los Angeles after production on the flick was finished. Iris had only done a handful of sex movies during her few years in X-circles, appearing in hardcore titles such as *Hey My Grandma Is A Whore 7* but she did a great job here. I and everyone else on set enjoyed working with Iris, and she will certainly be missed. Oh boy!

Moving right along… Rich colours, strange sexual encounters, tattooed perverts, odd-looking people in top-hats, crazed clowns, bizarre X-rated set-ups, a masked midget, black and white cut-outs and so much other weird stuff: it all makes *Hardcore Circus XXX* into one of the most unique adult entertainment projects that I have been involved with. Why don't I just give you a sneak preview? Just go to this web address and check it out for yourself – *www.youtube.com/watch?v=sYoxAb0iHc0* – and see what you think. And if, after watching this short advance trailer – you aren't dying to see the entire film, you must be nuttier than the movie itself.

Trying to explain *Hardcore Circus XXX* is kind of like trying to explain what an orgasm feels like to someone who has never had one. You can't describe it, you can only experience it. Hope to see you all again soon in *MensWorld*!

Yours truly, Ron Jeremy

Raven-haired Euro-hotties Madison and Anita really are the perfect pairing, and I don't just mean in terms of appearance. They obviously fancied the pants off each other, and all this made for one of the most passionate lesbo shoots that we've ever had the pleasure of witnessing here at *MensWorld*. And, second most importantly, the girls seemed to really enjoy it too. "I loved licking Madison's sweet pussy and kissing her perky little titties," Anita was keen to inform us after the dust had settled. "Today was the first time I've ever orgasmed during a magazine shoot. It was awesome; a complete surprise." Unsurprisingly, Madison was equally enthusiastic about the whole experience. "Do you know, I came just from Anita kissing me and stroking my pussy, and that's never, ever happened before with either a man or a woman," she beamed. "I can't wait to get her back to my hotel room to continue the fun, there's going to be fireworks!" Unfortunately, we weren't invited to watch the display. Spoilsports.

RULES OF MAN

ARE YOU A MAN? YES, BUT ARE YOU A REAL MAN? DO YOU SPEND YOUR SUNDAYS WATCHING SNOOKER, DRINKING BEER AND HITTING NAILS INTO BITS OF WOOD? ARE YOU AS AT HOME IN A CAR SHOWROOM AS A LAPDANCE CLUB? FOR GOD'S SAKE, DO YOU EVEN KNOW HOW MANY MILES YOU GET TO THE GALLON? COME ON MAN, GET YOURSELF SORTED. PLEASE. THESE ARE THE RULES THAT DEFINE A MAN, MAKE SURE YOU OBSERVE THEM! CAREFULLY!

THE LAD'S FRIDAY NIGHT

This is no ordinary night out. Forget your average Wednesday evening down the Dog and Duck or your compulsory Saturday session after the footy, because tonight is a prestige social occasion. Ted Baker, Ben Sherman, Peter Werth and Calvin Klein will all be making an appearance; shoes will be shiny; hair carefully gelled into various gravity-defying styles; clean underpants and socks proudly donned. For those to whom it may concern, a strictly no 'WAGS' policy is in place, but drunkenly chatting up birds in some dodgy nightclub at ten-to-two is definitely encouraged, if not compulsory.

Meet at the local Wetherspoon's for a couple of cheap Eastern European lagers, and once the merry throng is assembled and suitably limber, it's time to move on to the shiny new 'café bar' in town that everyone's been wanking on about, usually called Browns or Bar Med. It's £3.50 a pint, the bar staff are moody, but no-one gives a fuck because the banter's flowing and the place is rammed with fit girls. At this point the irritating good-looking member of the party will break rank and pull one of the aforementioned fit girls, something that will cause a few rumbles of discontent in the camp. But it's okay, because he's a cunt, the lads are out on the lash, and we're off to Inferno's/Fire and Ice/Heaven and Hell/Equinox. Please delete as appropriate.

With the lengthy queue and twatty footwear-obsessed bouncers successfully negotiated, it's time to throw some shapes on the dancefloor. Or, at least, skulk around somewhere near it and stake out the talent. Unlike the fancy bar, it'll be a mixed bag in here, steadily improving as per amount of shit lager consumed. At around half-one the group will have thinned out significantly due to drunkenness, getting kicked out, or, possible but unlikely, getting off with a bird, so it's time to slur a few sentences to a series of fat lasses so you can tell the lads you went on the pull, get told to fuck off, go and get a pizza in some shitty takeaway, and then wake up on the sofa with a slice of it stuck to your fancy shirt; Transworld Sport blaring from the TV. Same again next week? Wouldn't miss it for the world.

X IN YOUR DREAMS LOSER!

HATS

Where once the preserve of proper blokes and gentlemen alike, hats have become the fashion item of choice for knob-heads, tossers, Shoreditch twats and tits. Back in the day, when men were men, only a grizzled old timer with a whippet would sport a flat-cap. Now so-called trendies don them with reckless abandon. The trilby has met a similarly unfortunate fate. Once a welcome and rather jaunty accompaniment to both work and leisure attire, and a traditional staple for your average dodgy backstreet bookmaker and minor hoodlum, fashionistas have successfully made it a surefire marker that the person under it is a complete and utter cunt.

REAL MEN, DON'T BE SCARED, THESE FLIMSY PRETENDERS ARE NOT TO BE FEARED

And the pork pie? A hat favoured by Dean Martin and Buster Keaton is now the preserve of mindless Pete Doherty wannabes – and it's just not good enough. Real men, don't be scared, because these flimsy pretenders are not to be feared. Whether it be flat-cap, trilby, top-hat, stovepipe, pork pie or straw-boater, we must reclaim the titfer for the common man and kick those smug bastard trendsetters into touch. Get your old-fashioned hats. The revolution has begun!

DAISY

PHOTOGRAPHY: HICKS

With nearly 300 filthy flicks to her name, Latina lovely Daisy Marie needs no introduction. But we're going to give her one anyway. Although Daisy started performing way back in 2002, things only really began to kick off for her in 2006, when she reached the finals of Jenna Jameson's annual search for the next big thing, *Jenna's American Sex Star*. This year she scooped Favourite Underrated Star at the F.A.M.E. Awards. A back-handed compliment? We're not sure, but we doubt Daisy cares much, because she's one of the most sought-after stars in porn. If the stunner's meteoric rise to fame continues then it's only a matter of time before she gets to realise her ultimate fantasy on film – to fuck more than 12 girls all at once. Now that would be a sight to behold. One last thing. If you ever happen to see her in some nightclub or other, totter over with a bottle of her favourite drink, Malibu, and she'll be putty in your hands. Possibly.

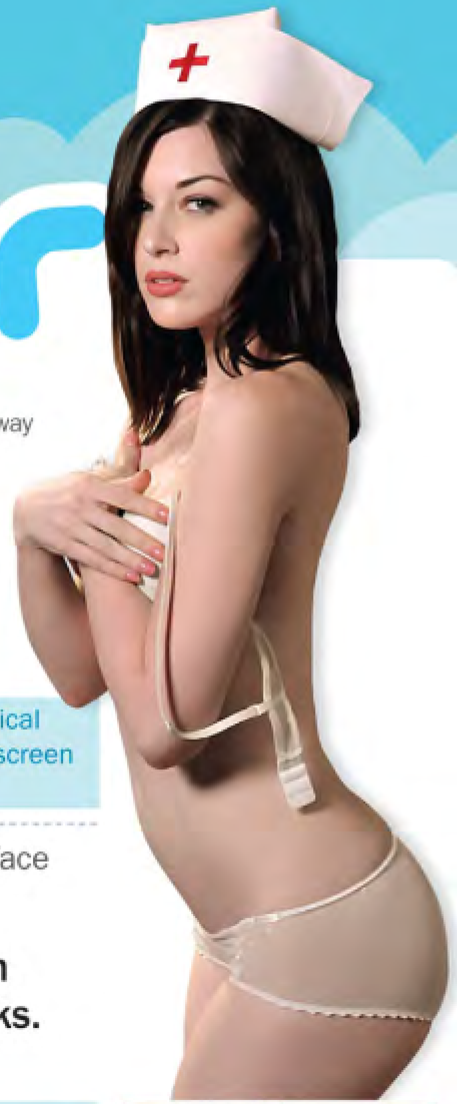
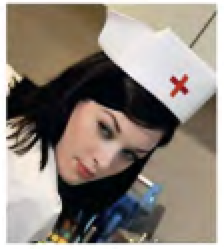
hit her in the twitter



As if life wasn't busy enough already, they've gone and invented another way to waste time. Twitter is taking the world by storm / pissing everyone off (delete as you feel appropriate), but one thing's for sure, porn stars love it. Yep, many of your favourite sperm receptacles are posting their 140 character messages on a regular basis – it's something to do while kicking around on set, we suppose, and these are the ones we're 'following'. Note to police – that's following in a Twitter sense, not in a stalking one…

STOYA She's sassy, she tweets the whole time, and she's refreshingly cynical / passionate about her job. Yes, Digital Playground star Stoya carries her screen persona into the real world.



Our picks: "Jesus loves what I look like getting face fucked by a dick that's fresh out of my ass."

"Sitting around on set, text-flirting with men and drooling over hot porno chicks. today is awesome"

BREE OLSON Always honest and, seemingly, always horny, Adam & Eve contract star Bree peppers her tweets with pleas for someone – anyone – to come over and fuck her. We need to move to Indiana, wherever the hell that is.

Our picks: "At the movies watching "the ugly truth" it's funny as hell but I've barely got to see any of it cause I've been sucking cock. 2 loads 1 2 go"

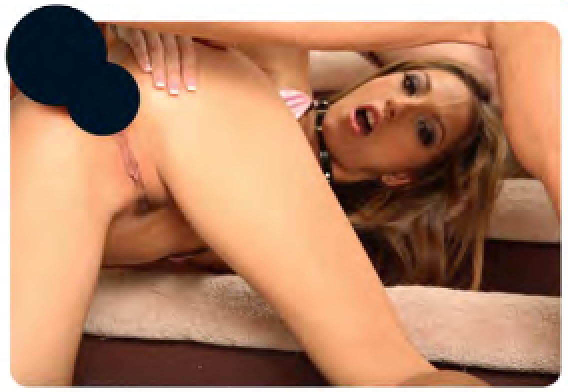
"I need to get fucked really hard and good. I am so horny and wish I had a man here that appreciated what I could give him sexually."

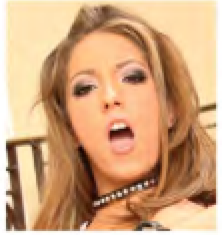
DANA DEARMOND Grouchy (her noisy neighbours really catch flak), funny and ever entertaining, there's never a dull moment with anal slut Dana's tweets.

Our picks: "I won best anal scene for Rico the Destroyer. I'm an award winning ass fuckee!"

"I believe the title of today's production is "Tight, Fresh and Loves Anal" Describes me to a tee"

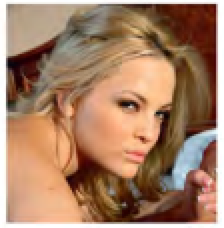
JENNA HAZE How does she find the time? Making porn, feature dancing and picking up award after award would be enough for us.





Our picks: "People are seriously Twittering me asking if I am an adult star or saying I should go into the adult biz. Ha! Where the fudge have u been?"

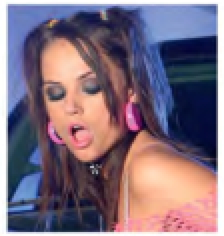
"I actually prefer to swallow but never turn down a good facial…"



ALEXIS TEXAS Inevitably, lots of Alexis Texas' tweets are about her awesome bum, feeding her awesome bum, and letting boyfriend Mr. Pete get a piece of awesome bum.

Our picks: "On my way to work, stopping by Wendy's to feed the booty. I get to work with the beautiful Kayden Kross. Yea! Today is going to be a good day"

"Just finished my 1st pole dancing class! What a great workout, so much fun. Now I want my own!"

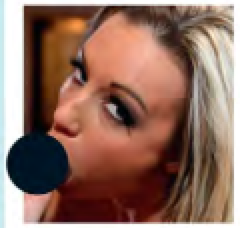


TORI BLACK The rising star spends a heap of time on Twitter – and blocking the people who want to abuse her about her job. But there's still time for fun…

Our picks: "@marieluv if you wanna come kick it before the show you know you're more than welcome to come sit on my face!"

"I'm horny. I think I want some sex in public."

KAYDEN KROSS The straight-talking Kayden is drier than your average porn chick. Her Twitter feeds are a slice of life in the adult industry with more laughs than you'd expect.



Our picks: "I was going to make a smoothie. The fruit is cut. The yogurt is ready. The super healthy hemp protein is opened… and I don't own a blender"

"Wow. Stuck up flight attendant. I just played a flight attendant in my last porn. I did a better job. I think I'll tell her that."

BELLADONNA Porn's dirtiest (well, anal, deepthroat, midgets and transsexuals will get you that kind of rep) Twitters like a twittering thing.

Our picks: "Watched my YouTube video of my first molding for Doc Johnson! My new Bitch Fist is going to be insane!"

"My butthole is like my mouth, it can suck dick all day!"

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR...

THIS MONTH

CARLA COX

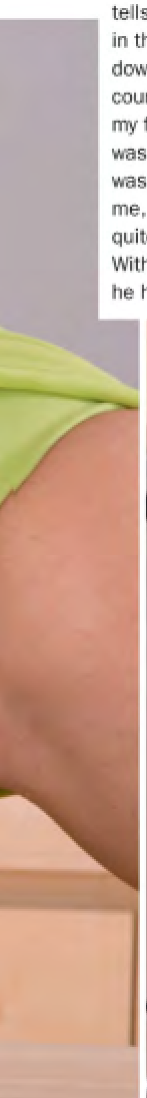
PHOTOGRAPHY: SCOTT WARD

CARLA COX

I've always been a highly-sexed girl so modelling is the perfect career for me; I get to act out my fantasies and also get to have loads of lovely fingers, tongues, and cocks inside me on a regular basis. Oh, and I get paid for it all too!

Not a bad career choice if I do say so myself. Certainly beats working in a shop or being a secretary – although I have dressed up as a secretary a couple of times for photo shoots and been licked and fucked while spread out on a desk – that's my kind of office work!

A couple pages in this magazine wouldn't be nearly enough room to tell you about all my wild times as a model, but let's just say that my four years in the business have been nothing less than a spunk-splattered wild ride! I've done all sorts; five girl orgies, three blokes fucking me at once, tied up and tormented for bondage sites... you name it and



I've probably done it.

Sometimes it's the photo shoots that you least expect to turn wild that in actual fact end up being totally amazing. I mean, if you're booked for a three or four person hardcore orgy shoot then you know what to expect – the lovely smell of pussy and cock right in your face all day long! On the other hand, if it's just a single girl shoot in the photographer's house you don't necessarily expect that to end up being a memorable experience. But if there's one thing I've learnt working in the adult industry it's to expect the unexpected.

So when I got a call from my agent asking if I'd be interested in an afternoon photo shoot at this photographer's house in London I happily said yes. Unless the pay on offer's a pisstake or the shoot's too weird even for me, then I never say no to a shoot. This business is very volatile; one minute everybody wants to shoot you, then you can go weeks without work. It's definitely best to take the work when it's offered.

So anyway, I turn up at the house of this photographer, Steve, who tells me he wants to do the shoot in the kitchen. Plonking my arse down on a cold granite kitchen counter wouldn't have been my first choice, but Steve was calling the shots. He was a few years older than me, about 10 actually, but quite a tasty looking bloke. Within just a few minutes he had explained that he wanted me to use various vegetables on myself while spread out on the kitchen counters and table. Sounded good to me, so I stripped down my bra and panties ready for action.

I was having trouble jumping up on the counter so Steve helped me; feeling his hand on my thigh as he pushed me up sent a tingle of excitement through my body. I quickly opened my legs and was pulling my knickers to one side to show Steve my juicy pussy. I parted my lips for him so he could see just how wet I was. "Take them off. Your bra too. Let's see you 100% naked." I happily did as he asked and unclipped my bra and then wriggled out of my panties.

After Steve ran me through some more poses, most focused on my cute little arse, he went to the fridge and brought out a plate with various fruit and vegetables on. There were a couple of small carrots, a cucumber, a banana and some strawberries. "Use some of these, or all of these, in any combination you want…" His words trailed off as he picked up one of the carrots and brushed it against my leg before pushing it against my pussy. I opened my legs wider and helped Steve guide the vegetable inside me. It felt good to have something hard inside me but I wanted more. "Get that cucumber and use it on me." Steve did as I asked and actually put his camera to one side; this was about to turn from business to pleasure.

Steve picked up the cucumber and spat on it before pushing it between my legs and up against my juicy cunt. I held myself open for him and trembled as the fat smooth vegetable made its way inside me, filling me up inch by inch. Steve then pulled it slowly out and then pushed it back inside me. He quickly built up a fast pace and fucked me to a massive orgasm. I watched as he pulled the sticky vegetable out of my juicy hole and licked my juices off. I absolutely love watching a man taste my juices, so that just got me fired up for more fun.

I picked up the carrot and started teasing my arse with it. This turned Steve on so much he quickly stripped off clothes. His cock was rock hard, not huge but still very nice. He took the carrot out of my hand and slowly eased it into my arsehole. As he played with my arse he slipped two fingers in my dripping pussy. I was pinching and pulling at my nipples as Steve pleasured both my holes; wave after wave of mini orgasms were ripping through my body.

Steve pulled the carrot out of my arse and then helped me down from the counter. With his stiff cock brushing against my legs

AS HE PLAYED WITH MY ARSE HE SLIPPED TWO FINGERS INTO MY DRIPPING PUSSY

CARLA COX

he maneuvered me over to the kitchen table. I was laying down with my chest flat against the table and with my arse and pussy nicely open for Steve. He had his left hand on my left hip and then with his right hand he steered his cock inside my slippery cunt. He pushed all the way in and began fucking me with short sharp thrusts. As he fucked me from behind I reached out for the plate of vegetables and handed him a carrot. Steve was quickly pushing the rough vegetable into my arsehole. As Steve's cock pushed inside me I could feel the carrot in me also. It felt great but I wanted more. I grabbed the other carrot and gave that to Steve too – he pushed it inside my cunt alongside his cock.

Steve seemed to enjoy the extra friction against his cock and began grunting loudly as his strokes got more urgent. I felt his steaming hot jizz explode in me and then trickle down my leg when he pulled his softening dick out.

Ever the pro, Steve quickly wiped himself down and then calm as you like picked up his camera and started snapping pictures of my well fucked holes. I know there are some models that absolutely refuse to get involved with photographers. Well, I'm happy to say I'm not like that and I've had some great times with the guys behind the lens!

ANGELINA

PHOTOGRAPHY: EXPOSURE ZONE

Bendiga Bend

Some like to boast about the size of their bank balance, others about their knowledge of vintage steam trains, and the other night I even heard a tosser in the pub bragging at high-volume about meeting ex-England goalie Peter Shilton on a recent golfing holiday on the Costa Del Sol. Yes, some people just love to wank on about themselves, and filthy-mouthed big-boobed newbie, Angelina Valentine, is no different. Fortunately, what she has to say is slightly more, erm... stimulating than news of a chance encounter with 'Shilts', legend though he undoubtedly is. You see, Angelina loves to boast that she can deep throat any cock, no matter what the proportions.

"There's no dick too big for me to gobble up," she blustered over lunch, performing a quick simulation on her cheese salad baguette. "I can make any cock disappear with ease!" And, indeed, unlike many an idle braggart, Angelina actually has the proof to back up her bold claims, and this very year snagged the prestigious (well, slightly) X-Rated Critics Organisation's Deep Throat Award. She also says she squirts like a fountain... Really, this is one girl who can boast as much as she likes.

of my boobs and a finger shoved up my twat to determine my tightness, Sarah, the head Pie, set my formal initiation for that evening. I was told to come fully dressed in my college uniform and to bring any surprise of my choosing.

I rushed back to my dorm room, shaved my smoo bare and slathered on some coconut lotion. I also fixed my favourite strap-on cock, Big Bertha, around my waist as my party surprise.

When I walked into the sorority house, the entire place was lit with candles. There were about fifty naked girls, both Pies and civilians, lining the walls with their legs spread open. Instantly, my pussy was dripping wet with the thrill of whom I'd suck out first. Sarah grabbed me by the shoulders and shoved me up against a wall. The initiation had begun! She started to lick my face, my neck, my cleavage, my legs and everywhere in between. When she felt the hard cock between my legs she pulled up my skirt.

"Surprise!" I grinned, pushing her onto her knees and guiding her mouth down onto my cock. As one of my hands was busy pulling Sarah's mouth to and from my plastic penis, my other hand was actively fingering this sexy brunette beside me. She was dripping wet and riding my fingers like a fucking champ!

Soon all of the girls in the room were practically stampeding to get a piece of me. I had one girl ripping off my shirt while another was tearing my white cotton bra apart with her teeth just to get a few licks of my nipples. By this time I had a revolving line of horny sorts eager and ready to suck my fake prick and lick my bum. As I fucked each mouth with gusto I felt my cock being unlatched from my waist. Now another girl, a curvy redhead, was donning my cock and buckling me in half to fuck me in my tightest place!

So there I was on the ground with some Asian girl underneath me licking my snatch, while the redhead porked my pucker from behind. But still it wasn't enough. The next sensation I felt was of another dildo being pried between my cunt lips, and a wet tongue slathering around my mouth. Every hole was being plugged, probed and penetrated, and I fucking loved it.

When I came up for air I spun around in reverse cowgirl to get a deeper connection to Big Bertha. I grabbed my tits and bounced up and down, securing a blonde head around each of my boobs. My bum and cunt were oozing with juice, completely drenching the redhead's lap. Not a single drop was wasted, however, as there were hungry mouths open and waiting to get a taste of my pussy froth.

EVERY HOLE WAS BEING PLUGGED, PROBED AND PENETRATED

I looked around and saw girls fucking each other in every corner. There was a pair making mincemeat of each other's minge in scissors while another girl was being held in place as the naughty students brought her to multiple orgasms with the help of a corded clit vibrator.

After my arse came for what seemed like the hundredth time, I grabbed Sarah and buried my face in her muff in doggie. I penetrated deep with my tongue, wedging my nose up into her bumhole to give her pucker a little sniff. She smelt fucking delicious, getting three fingers wedged up inside as a reward.

The action raged on until my body was drenched with pussy cream and sweat. I ended my initiation in a twenty-girl doggie train that had every mouth stuck to an eager hole in front. "Welcome to the Pies," Sarah said, wiping her face clean of juice. I unlatched from the train, grabbed a dildo out of a girl's snatch and shoved it into Sarah's mouth. "Enough talking, and suck my cock!" I told her. Isn't it about time we started having sororities at University back here?

Emma, Norwich

I LOVE LUCY!

What Lucy wants she gets, and it was me she wanted. I'd fucked her friend Dave pretty much in half the first night I met him, so he thought I could handle the action at one of her sex parties. The dress code was latex, leather or lingerie, aside from the 'newbies go naked' rule. That's why I was strutting around in just my heels and make-up, and Lucy soon decided it was time for my initiation.

She undid her fly-crotch pants – cut too tight so that her shaved cunt seemed to swell its way out the slit. It looked so pink and wet, framed by the black latex, so I dropped down to my knees and got licking. I lapped over every inch then dove my tongue in, with Lucy's fingers stretching her outer lips wide open for even more depth. Soon she was clinging on to my head as she ground herself against my mouth.

In behind me, someone was playing with my cunt, teasing it so softly I barely felt it. Then a finger probed my hole, to see if it felt as fuckable as it looked. I thought maybe it was Dave, then I remembered him going off for some fun of his own with some other girl. But I was open to any cock, so I gave the finger a squeeze. Within seconds he – whomever it was – was rutting in deep. I never saw him, just felt the size of the cock ramming my snatch. His fingers found my clit expertly. I came, Lucy moaning as my lips tugged on her bud, and then the bloke pulled out, wanked himself against my arse and then blasted a load all over my cheeks.

Almost immediately, I felt tongues lick me clean. But I couldn't stop to savour it, as I didn't want to lose my focus on Lucy. My tongue wasn't quite enough for her now, so I slid two fingers inside of her, following her moans to find her G-spot. Things got pretty wet as she came, soaking my hand and my tongue as I drank the last few bursts of juice from her hole.

Next, one of the new guests stepped up. Lucy straddled him and rode him for a few moments, to get his prick hard and sauced up with her juices for me to suck on. She stayed atop him, rubbing her clit as he played with her tits, her snatch right in my face as I sucked her cum off of his prick.

I DRANK THE LAST FEW BURSTS OF JUICE FROM HER HOLE

Now there was just one mouth in behind me, harder to ignore as it tongued my arsehole, wetting it with saliva. I just let it fuel my sucking on the new man's cock, taking him in deep, then pulling back to tease his helmet. I felt something touch up against my arsehole and just assumed it was another cock. Then I heard a female moan as it pushed in and, though I tried to fight it, curiosity got the better of me. I spit out the dick, stroking it to keep it hard, and glanced behind me at a redhead fucking me with a strap-on.

She was wearing kind of a leather corset, one that shoved her tits up and out but left them naked, and they bounced together with every thrust. She was totally lost in the moment, then saw me looking, winked at me and started fucking in and out even harder. The guy I was sucking was going crazy now, and it didn't take much more to get him coming. I aimed it at my own boobs, loving the sensation of the hot shower on my bare skin.

Word spread to Dave of what I was doing, and he was there to watch as I came time and again. And the brunette was there to wank him off, so I got another ball soup bath as I orgasmed again. I passed my initiation with flying colours, earning my right to dress in fetish clothes if I want to. But most times I go to the parties naked – I get more action that way! Most guests want to fuck the newbie, give the little slut a taste of how hardcore the action's going to get. And even if they know I'm no beginner, they still play along with my game!

PORN, GAMES, BOOKS AND EVERYTHING ELSE

Wet Bethesda Softworks, £39.99

A game called *Wet* featuring a sexy female lead character? It's not what you think, honestly. *Wet* is in fact short for Wetworks, the name for a messy assassination job that ends up with blood and guts all over the place. And that's where Rubi Malone comes in, a deadly, gun-toting, sword-wielding hired killer who finds herself on a mission where all is not what it seems.

Stitched up and stabbed by the shady underworld character who hired her in the first place, she's now wants revenge, and she'll hack, thwack and gun down any baddie in her way to get it. Cue all-action thrills and spills as Rubi shoots and slashes her way through enemy after enemy, only pausing to swig on a rejuvenating bottle of whisky – this badass bitch doesn't do Actimel.

With knee-slides, wall running and John Woo style slo-mo effects, and even a rage mode where the game goes all 'film noir' and Rubi becomes even faster, stronger and more brutal, *Wet* is all about the stunning action scenes. If it's slick, high-octane thrills you're after, and a heroine with attitude who behaves like Lara Croft with a drink problem, then this is the game for you.

VINCENT CASSEL
MESRINE
KILLER INSTINCT

Mesrine Momentum, £19.99

Charismatic and charming, yet ruthless and violent, Jacques Mesrine has to go down as one of the most notorious criminal masterminds in French history. Bank robber, kidnapper, murderer... there was no end to this man's skulduggery, and on the occasions Mesrine got caught and put in prison, he simply escaped. So it's no surprise that the life story of such a busy man should take a couple of movies to tell. The first in this double boxset, *Killer Instinct*, which is based on a novel he wrote in prison and had smuggled out called *L'Instinct de Mort*, sees Mesrine leaving the army penniless and turning to crime to make a few quid. He takes to it like a duck to water, and in no time he's doing massive bank jobs and generally making a nuisance of himself in France and Canada, becoming Public Enemy No.1 in both countries.

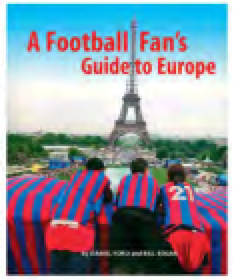
The second movie, cunningly titled *Public Enemy No.1*, sees Mesrine in the role of national anti-hero, comfortable with the press and claiming political motivations for his crimes. But surely his brutal crime spree can't go on forever...

Wii
Mario & Sonic at the Olympic Winter Games
SEGA

Sonic and Mario at the Winter Olympics Sega, £39.99

A spiky-haired blue hedgehog and an Italian plumber aren't the likeliest of bedfellows, but when they got together for some Summer Olympic fun the result was a smash hit success. And, with the Winter version set to kick off next year in Vancouver, it's no surprise to see them paired up once more for some fun and games of the chillier kind.

Conventional events such as bobsleighing, speed-skating, curling and downhill skiing sit alongside more creative disciplines like dream snowball fight, and the Wii balance board is used to great effect for the snowboard half-pipe and cross-country. Play solo with Sonic, Mario, Yoshi, Donkey Kong, Bowser or a whole host of other familiar favourites and go for gold, or, even better, invite a load of your mates round and let the games begin. Brilliantly playable, great looking and, above all, loads of fun, honestly, if you can't have a laugh playing this then there really is no hope for you.



A Football Fan's Guide To Europe New Holland, £14.99

I've often listened with envy to fans of the likes of Arsenal, Manchester United and so on, with their tales of European jaunts to watch their beloved team play the glamour sides such as Juventus, Real Madrid and, erm, Maccabi Haifa. It pisses me off something rotten, because as a Preston North End fan it's fairly unlikely that I'm going to be experiencing such far-flung delights in the near future. But hey, dry your eyes, right? Because in this age of dirt cheap flights to a load of European destinations, fans of clubs whose idea of an exotic jaunt is a trip to Exeter for a Johnstone's Paint Trophy clash can now experience football the way the big boys do it – and this book is the perfect guide. Every country in Europe is included, with a brief overview of places to eat and go for a beer, a couple of tourist attractions to squeeze and, of course, the lowdown on the major football clubs, from luminaries like Inter Milan and Bayern Munich through to smaller teams like Debrecen and Levski Sofia. So why not round up a few mates and sample the beautiful game with a little European flair.

MUCKY MOVIES

BAD GIRLS WICKED

"Bad Girls, Bad Girls, whatcha gonna do, whatcha gonna do when they come for you?" and boy do they come! Now, being tied up isn't every bloke's idea of fun, but after watching the new Robby D. film I'm buying the Mrs a pair of handcuffs! With a little light bondage these five filthy scenes starring five incredible women make for positively orgasmic viewing.

We get to see the incredible Gabriella Fox fuck with Ramon Nomar. There's some fantastic stuff in this scene and some great close-ups of Gabriella's tight pussy. You can tell Gabriella's loving every second and she duly squirts on him. In the second scene we're treated to a show by Serena Del Rio and Scott Nails. Scott massages oil into every inch of Serena's stunning body before getting down to business, and they fuck like it's going out of fashion before she milks the cum from Scott's dick. Then, after tying her man down, blue-eyed bombshell Kelly Summers makes herself cream all over Mick Blue's hard cock and then licks him clean. Who wouldn't want to be her personal fuck-toy?

Next up is bad girl Shay Jordan, who turns a goodnight kiss into a goodnight shag by taking on Scott Nails' invincible meat. He just keeps on fucking her even after he's come. The two cream-pies and multiple orgasms from Shay make this scene the best on the DVD. The boy/girl scenes at the beginning of the DVD build up to a boy/boy/girl conclusion. Lucky Stoya gets to go for a ride on both Mick Blue and Tony DeSergio.

After a bit of groping, Mick blindfolds her and shows her who's boss. But we all know she's a dirty bitch, especially when they tagteam her, Tony choosing her juicy cunt and Mick fucking her mouth. There's some fantastic blowjob action and she gladly cleans up their juices. Every man loves a girl that swallows and she does so with relish. The only downfall of *Bad Girls* is Serena's lack of an orgasm, but that's easily overlooked when it offers such choice wanking material.

MRS. DEMEANOR
DIGITAL PLAYGROUND

For non-stop MILF action, look no further than this 'twat-action only' flick. *Mrs Demeanor*, the latest production by dirty director Celeste, features the 'more mature' pornstars RayVeness, Julia Ann and Alayna Dior. The first scene with brunette RayVeness (still hot and up-for-it at 47) is definitely the stand out. She takes shy little 'virgin' James Deen under her wing and shows him what a real woman is made of. After stripping each other off, they engage in a little foreplay before she unleashes his beast of a cock and guides him through a few of her favourite positions. Then she cleans up the huge load that he gratefully paints over her big boobs. The DVD then moves through several boy/girl scenes with different stars but the ladies don't always come, which is a bit of a letdown. We need to know that the girls are enjoying themselves too! Thankfully, in the penultimate scene we come across a girl who is definitely having a good time in the shape of Alayna Dior. She lapdances for James Deen and fucks him in cowgirl before climaxing hard and then sucking him dry. Overall, this is a decent flick with some stunning older women but at just 78 minutes it's a bit measly with the MILFs.

DOLLZ HOUSE
HARMONY

Yet another classy offering from Harmony, *Dollz House* from Tanya Hyde is a delight to watch. The first scene, starring Aletta Ocean as a naughty little dominatrix, is sure to grab your attention from the outset. She's dressed to the nines in some fetish gear and looks comfortable with a whip in her hand. She squats over a stud and he laps away at her sweet pussy, before another fella joins in and a DP fuckfest ensues, finishing with our dolled up babe copping a spunky bum coating.

At this point, BDSM fans will no doubt be in seventh heaven, and there's more to come. Sexy Manc babe Robyn Truelove looks fantastic in her fetish gear. She tackles a soldier in a shabby van, but the moody lighting lets down what could've been an awesome scene. But these shortcomings are more than made up for in the following group fuckfest. A filthy dark-haired babe gets gang-banged by three masked men, and the screwing is very much of the no-holds-barred variety. Then Havana Sin and Lala XXX get all lezzy on a pool table before a couple of studs turn up and display their ball control and cueing skills. Flaws aside, this is Tanya Hyde doing what she does best – great fetish fucking.

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

IFEELMYSELF.COM

A website that claims to 'take the female orgasm out of the realm of porn theatre and present it in the erotic context it deserves' might sound a bit arty, arsey and pretentious, but the philosophy behind *Ifeelmyself.com* is both simple and ingenious. An antithesis to the dreadful acting, shit storylines and fake orgasms of many a modern day adult flick, this website features all types of women masturbating themselves to actual climaxes just like they would in the privacy of their own homes. Genuine 'amateur' efforts sit alongside studio and contributor fantasy videos, featuring gorgeous 'real' girls getting their kicks, sometimes surprising themselves with the sheer power of their orgasms. It's pretty stimulating to know the 'models' are actually coming as you bash one out over their antics. Don't believe me? Check out the selection of hot free low-res vids featured on the site. The 1,334 (and counting) HD movies are for subscribers only, and, if you're anything like me, you might just be tempted to sign up.

Supermarkets can be scary places. They make you buy things that you don't actually want or need, spend more than you can afford, and then track your foolish shopping habits with those bloody loyalty cards like some frightening consumer Big Brother. And all in return for a toastie maker or tickets to Legoland. However, the most terrifying thing about supermarkets is the people who shop in them, from the shuffling trolley zombie to the smelly bloke wearing his slippers and hanging around the tinned peas, these misfits have seemingly made the aisle their home. But we've got nothing on America. This website features hilarious pictures of some of the freaks and weirdoes that populate the stores of US behemoth, Walmart. Be afraid, very afraid...

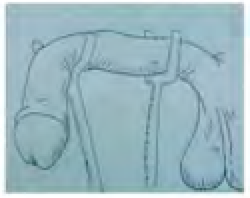
WAYTOSUCKTHATDICK.WORDPRESS.COM

Some people put porn of themselves on the internet who really shouldn't. Others then find this porn and put it in a place where people can laugh at it. Yes, the web has a habit of throwing up gems like this; visions of comedy gold that simply wouldn't exist if it wasn't for cyberspace. Facebook? Twitter? Oh no my friends, this is what the net was made for. From the woman seemingly preparing to enter intimate relations with a strange polystyrene Dalek to the bloke with two cucumbers lodged up his jacksie, the images on this quality blog will make you wince, frown, and then laugh like a fucking drain. And the presence of a forum populated with enthusiastic posters means this is a potentially endless source of side-splitting misguided porn.

OVERSHARERS.COM

Thanks to modern technology, these days there's a lot of platforms on which people can flaunt their inane ramblings. And with people often being both stupid and self-obsessed, they regularly reveal more than is strictly necessary or interesting. Thankfully, these nuggets are also frequently hilarious, and this is where Oversharers comes in, gathering together misguided Twitter, Facebook and blog posts and putting them in one handy place for your viewing pleasure. From the bloke who thought it would be interesting to tell the whole of cyberspace that he'd shaved his pubes with a nose-hair trimmer to the girl who thought it might be nice to tweet about the powerful sneeze that made her tampon pop out, this really is web gold.

COCKADAY.CO.UK



The title of this website kind of says it all really – people draw pictures of a cock and a different one is featured every day. However, no site address could accommodate the downright weirdness and eccentricity that the obviously highly imaginative and possibly quite bored contributors invest into their winkie-inspired doodlings.

Some, like The Water's Freezing, Small Hairy and Lopsided, are fairly self-explanatory, but others, such as Alien Sex-Fiend and Shark Fin Droop, have applied a little more artistic licence. Why people send their drawings of cocks to this website I have no idea, but here at *MensWorld* we're glad they do. Genital genius.

These gorgeous Czech pornstars change their stage names as often as they change their panties, and in her career so far Satin Bloom has already been 'called' Lucie, Lucy Satin, the not-so-catchy Saatan and, in a complete departure, Tonya Tyler. The reasons for this seemingly whimsical and impulsive moniker meddling have long been the source of much speculation from the *MensWorld* team, so when Lucie… sorry, I mean Satin, came into the studio the other week, we decided to bite the bullet and find out exactly what it's all about.

"When I get bored I just change my name," the ample-boobed beauty said with a shrug. "All Czech girls are the same." Struggling to hide our disappointment at such a terrible answer, we decided to press her for something more revealing. "What do you want me to say?" Tonya said, getting a bit annoyed. "That we change our names to tap into different spiritual alter egos to rejuvenate our powers of attraction and chemistry for every shoot?" Well yes, Lucy. To be honest that would've been much better.

CARRIAGE COCK

I've always found those new train toilets with the sliding doors absolutely hilarious, and it's often a boring journey has been livened up with someone being 'unveiled' mid-shit because they've forgotten to press the lock button.

The look on people's faces when they get caught with their pants down never fails to have me pissing myself laughing. But the other week I got my comeuppance for taking all this shameless pleasure in the embarrassment of others.

Me and my missus, Dawn, had just been for a night out in London, and we were on the last train back to Essex. We were both a bit pissed as we'd had a couple of bottles of wine with our evening meal, and when Dawn's been drinking she always gets really horny. I thought we'd just have a good fuck when we got in as usual, but this time she had other ideas.

The randy little minx started rubbing my cock through my jeans, and told me that she wanted me to screw her there and then, on the train. My dick was throbbing like crazy by now, but there was no way we could shag in the seats, as there were other people in the carriage and they'd surely either hear us or see us.

I saw the toilet was vacant so we quickly got up and headed over, giggling and oblivious to what our fellow passengers might think. The door slowly jerked open and we dashed inside and closed it behind us. I pushed her right up against the wall and started kissing her passionately, yanking her skirt and knickers down in one swift movement.

I whipped my jeans down and my boner sprang out, and I pushed it up against her soaking pussy lips. Just as I was about to start pounding my dick into her, I heard a strange squeak and a rumble behind me – the fucking door was opening. In the heat of the moment I must've forgotten to lock the bastard thing, just like all those idiots I'd laughed at in the past.

I frantically pressed at the buttons but to no avail, and we were revealed slo-mo style in all our glory, frozen against the wall mid-fuck. Worse still, the culprit was this weird bloke with a beard and he just stood there leering at us while a group of lads sat in those flip-down seats laughed and clapped.

WE WERE REVEALED IN ALL OUR GLORY, FROZEN AGAINST THE WALL IN MID-FUCK

One cunt even took a picture on his mobile phone!

We managed to hurriedly gather ourselves and slope out of the toilet, faces bright-red and dignity in pieces as we returned to our seats. That'll teach me for taking the mickey. Still, once we'd got over the abject humiliation we had a great shag when we finally got home. Maybe there's something in this exhibitionism lark after all!

BAD CALL

I'd been seeing my girlfriend, Helen, for just over two years, and although I didn't do it very often, every now and again I'd fuck some bird behind her back. I know it's not a very nice thing to do, but you only live once, and I considered myself too young to be tied down, even though I'd let Helen move into my flat for the regular sex.

Anyway, one weekend she was away visiting her parents, so I was left twiddling my thumbs and surfing porn on the internet. I was bored, feeling horny, and in the mood for something more than a wank, so when this site popped up offering 'Call Girls In Your Area' it was more than I could resist. I'd always had this thing about shagging a prossie, so why not now when I'd been left home alone? I excitedly browsed the list of girls and settled on a 'naughty experienced busty blonde bombshell' called Angie, before phoning the number and arranging for her to come around that very evening at 7pm.

That she was free at such short notice on a Saturday night should perhaps have set the alarm bells ringing, but I was so set on this fantasy by now that I'd paid the £100 deposit on my credit card before I knew what was happening. Anyway, showtime finally arrived and, right on cue, the doorbell rang. I was so worked up by now that any half-decent bird could've had me spunking buckets in seconds, but this girl was nowhere near half-decent. Possibly in her 50s and caked in make-up, she reminded of the ropey old cleaner at work. Her hair was dyed peroxide blonde and her big, flabby tits were crammed into this frilly blouse, but Angie was no bombshell. Or maybe she was to the blokes down the Legion, but not to a bloke who was expecting some kind of sexy Michelle Marsh lookalike!

I told her she wasn't my type, swiftly sent her on her way, had a disappointing wank and put it all down to experience, forgetting about the whole thing. Well, until a few weeks later at least, when Helen was poking through my credit card statement. The website address – which left little to the imagination – and the 100 quid deposit was printed there in all its glory. Helen freaked and walked out, thinking I was some kind of dirty pervert, and I haven't seen her since. Honestly, all those times I've screwed around and got away with it, and she ditches me for doing nothing wrong!
